JULIUS BALILING

Full Stack Software Engineer

🏠 Cagayan de Oro City, Ph ✉ juliusbaliling25@gmail.com 📞 +63 9674408191

PROFILE

A passionate and driven full-stack software engineer currently freelancing and diving into the entrepreneurial world. I'm excited to bring innovative solutions to life and make a positive impact in the tech industry. I continuously seek out new learning opportunities and challenges that push me to grow both personally and professionally. My entrepreneurial spirit drives me to think outside the box and create innovative solutions that can make a difference.
